To Whom It May Concern

We highly recommend Reni Gargiulo's KIWI KAI catering company. We booked her services for IDEC2015, an international conference, held in Whakatu/Nelson from 8-12 April 2015 with around 400 participants and delegates from 28 countries. The food was plentiful, delicious and well presented, with healthy gluten free, vegetarian and vegan options. The feedback from our participants was consistently positive. Reni and her team were very cooperative, supportive and patient, even under pressure. They worked cost efficient and were prepared to go the "extra mile" to accommodate special requirements.

Thank you, Reni & Kiwi Kai, for being such a reliable and pleasant partner to work with!
